

SUBMISSION FORM

PROPOSAL FOR THE ESTABLISHMENT OF A NEW SCIENTIFIC COMMISSION

IUAES Scientific Commissions are defined as “groups of individual members OR group members of the Union who share a common academic or practical interest and have formed and maintained an active Commission according to the rules of the Union.” (IUAES STATUTES Art.5c.1)

“The Scientific Commissions are at the core of the academic activities of the Union.” (Art.8b.1)

In order to propose a new Commission, please fill in this form and send it to:

<iaaes.s-g@glocol.osaka-u.ac.jp>

Your proposal needs to be approved by a two thirds majority of IUAES member in good standing through an electronic vote.

(1) Name of the proposed Scientific Commission

Commission on _____

(2) New Commission Proposed by : _____

Present title/position: _____

Institution: _____

Address: _____

Country: _____

Phone (with country code): _____

E-mail address: _____

Date of submission: _____

Check if you are aware, and you can assure, that each Commission must contribute a panel to an IUAES World Congress or Inter-Congress, or to another major conference (so long as the panel is designated as IUAES sponsored), at least once in every three consecutive years (Art.7e).

Check if you are aware that each Commission is responsible for maintaining a list of members and for electing one chair and one deputy chair before the World Congress, that they are elected for a term of five years (renewable for one such term) in a democratic fashion by simple majority vote of the members of that Commission, and that all Commission members are eligible to self-nominate for election to these offices (Art.7f).

Check if you are aware that chairs and deputy chairs of Commissions comprise the Council of Commissions, that the Council elects a Head and Deputy Head from among Council members at each World Congress, and that the Head and Deputy Head become full voting members of the Executive Committee of the IUAES for the duration of their term between World Congresses. (Art.8b.2 - 3).

(3) Explain your aims and objectives of establishing a new Commission. Be sure to include specific details so that you can demonstrate the uniqueness of the Commission you propose and the likelihood of new perspectives to be brought about by its establishment.

(4) Explain the specific subfields or specific topics of anthropology/ethnology on which you plan to establish a new Commission.

(5) The theme of a new Commission should not duplicate the theme of an existing Commission. If there is any possibility of duplication, please describe the differences between the Commission you propose and those existing Commissions

(6) Explain what kind of academic and other activities you plan to carry out.

(7) Explain if you have concrete plans for conferences, symposia, conference panels and panels at the World Congress or Inter-Congress of IUAES or at another major meeting.

(8) Explain if you have concrete plans for publications by your proposed Commission.

(9) Give other useful information, if any.

(10) Proposals for the establishment of new Scientific Commissions must be supported by at least ten paid up members (individual or group members) of the IUAES (Art.7b). Please list them below with their names, present titles/positions, institutions, addresses, countries, phone numbers (with country code) and e-mail addresses.
