

**CALL FOR
NOMINATIONS OF CANDIDATES
FOR HONORARY MEMBERS**

IUAES is now accepting nominations of candidates for Honorary Members.

Nomination must be made in accordance with the revised Statutes and By-Laws (www.iuaes.org/org_stat.html). Specifically:

- a. Honorary Members shall be chosen for the excellence and creativity of their scholarly work, rather than for service to the community of scholars.
- b. Such nominees shall not be citizens of the country of the nominator, and shall normally have had their place of professional employment outside the nominator's country.
- c. No candidate may be proposed without his or her prior approval.

All nominations should be accompanied by a short resume and a curriculum vitae including bibliography of the nominee. In addition, the nominator should submit a formal letter of nomination addressed to Secretary-General. This letter must explain the reasons why the nominee should be an honorary member of the IUAES, describing the merits and achievements of the nominee.

In order to be considered for the approval by the General Assembly at the World Congress in Manchester, nominations need to reach the IUAES Secretary-General, Junji Koizumi <iuaes.s-g@glocol.osaka-u.ac.jp> by **Friday July 26, 2013**. One nominator may submit a proposal for only one nominee. While the nominators are limited to paid-up members of the IUAES, the nominees are not.

After a rigorous process of selection, only some will be accepted as IUAES Honorary Members. Recommendation of the candidates for Honorary Members to the General Assembly will be made by the Executive Committee. Gender and regional balance will be important, and sub-disciplinary representation within anthropology/ethnology may also be taken into account. The decision will be announced and ratified at the meeting of the General Assembly scheduled on August 9, 2013.

The following are relevant clauses from the IUAES Statutes and By-Laws. The current list of Honorary Members is also attached.

Statutes

5 b.3 *Individual Honorary Members* are professional anthropologists and/or ethnologists who have made outstanding contributions to scholarship in ways that have widely disseminated the insights and perspectives of anthropology/ethnology and thereby contributed to that aspect of the Union's aims and objectives. Honorary Members shall be appointed by the General Assembly on the recommendation of the Executive Committee. Honorary membership is life-long.

By-Laws of the IUAES

2) Honorary Members (Art 5 b.3 of statutes)

Honorary Members shall be chosen for the excellence and creativity of their scholarly work, rather than for service to the community of scholars. Nominations shall be made to the Secretary General on a date specified by the latter, but in time for consideration of candidates by the next physical meeting of the General Assembly. Such nominees shall not be citizens of the country of the nominator, and shall normally have had their place of professional employment outside the nominator's country.

All nominations shall be accompanied by a short resume and a curriculum vitae including bibliography.

The Secretary General shall report to the Executive Committee, which will decide by consensus or simple majority vote on which candidates are, in its opinion, to be presented to the General Assembly for approval.

No candidate may be proposed without his or her prior approval.

**Following the recent revision of the IUAES Statutes, there is no Nominating Committee for Honorary Members; nor is there a limit of the number of honorary members (previously twenty).*

CURRENT LIST OF IUAES HONORARY MEMBERS

	NAME		COUNTRY	FIELD	IN MEMORIAM	AFFILIATION / FORMER AFFILIATION
